France, Germany, Spain, United Kingdom of Great Britain and Northern Ireland and United States of America: draft resolution

The Security Council,

Expressing the desire to see a full and fair investigation of efforts by the former Government of Iraq, including through bribery, kickbacks, surcharges on oil sales, and illicit payments in regard to purchases of humanitarian goods, to evade the provisions of resolution 661 (1990) of 6 August 1990 and subsequent relevant resolutions,

Concerned by public news reports and commentaries that have called into question the administration and management of the Oil-for-food Programme (hereinafter the Programme) established pursuant to resolution 986 (1995) of 14 April 1995 and subsequent relevant resolutions, including allegations of fraud and corruption,

Affirming that any illicit activity by United Nations officials, personnel and agents, as well as contractors, including entities that have entered into contracts under the Programme, is unacceptable,

Emphasizing the importance of full cooperation with the independent high-level inquiry by all United Nations officials and personnel, the Coalition Provisional Authority, Iraq, and all other Member States,

Affirming the letter of its President of 31 March 2004 welcoming the Secretary-General's decision to create an independent high-level inquiry to investigate the administration and management of the Programme and taking note of the details relating to its organization and terms of reference,

1. *Welcomes* the appointment of the independent high-level inquiry;

2. *Calls upon* the Coalition Provisional Authority, Iraq, and all other Member States, including their national regulatory authorities, to cooperate fully by all appropriate means with the inquiry;

3. *Looks forward* to receiving the inquiry's final report;

4. *Decides* to remain actively seized of the matter.
